

## Meet Jim Terrell

Jim Terrell is a 4-time Olympic Canoeist and has won numerous National Championship Titles.

His passion for building the finest competition paddles available today began at the age of 11 in his father's garage in Milford, Ohio.

Jim has been very involved over the years with scientific testing of paddle mechanics, including *under water high speed photography and strain gage force analysis*.

Jim has an extensive background in a variety of composite technology applications, including aerospace and motor sports. He applies all of his experience and knowledge into very innovative new designs and shapes, utilizing the most advanced aerospace products on the market.
